

# No such Thing as NORMAL

Words and Music by Tom Billington

Can you sing like no one's listening?  
Can you dance like no one's watching?  
Can you give like no one's counting?  
Can you laugh like no one's judging?

Because there's no such thing as normal around here.  
Everyone's a little bit \* and a little bit \*  
You know there's no such thing as normal around here.  
You have to be a little bit \* to be a little bit \*

If you want to be a superhero,  
You gotta wear your pants on the outside.  
And to be a Hollywood rock star,  
You've gotta have nothing to hide.  
If there's a lightning storm in your way  
You need an electric umbrella.  
You can wear yellow and black every day  
(Well, it's good enough for Batman!)

Because there's no such thing as normal around here.  
Everyone's a little bit \* and a little bit \*  
You know there's no such thing as normal around here.  
You have to be a little bit \* to be a little bit \*

Don't you want to know my name?  
You think we're not the same,  
But everyone's the same.  
You should have a dance in my shoes;  
I'm sure you would agree  
You could be more like me!

If you meet me where I am  
We will meet you where you are.  
You'll see there's nothing to be scared of,  
Or is there?

Because there's no such thing as normal around here.  
Everyone's a little bit \* and a little bit \*  
You know there's no such thing as normal around here.  
You have to be a little bit \* to be a little bit \*  
Everyone's a little bit \* and a little bit \*  
It's good to be a little bit \* and a little bit weird!

*\* Make up your own sound on these notes.*
