Words and Music by Rebecca Lawrence

When the race is nearly done and I feel I can't go on,  
I know I can do something about it.  
My heart will start to race, my body find the motion  
And I will feel empowered from within.

I've got the power in me; you've got the power in you.  
I've got the power, p p power, got the power in me.  
Nobody's gonna hold me back, nobody's gonna silence my words,  
Nobody's gonna close my mind, I've got the power in me!

When someone's needing help and the world just walks on by,  
I know I can do something about it.  
I'll stand up for their rights, my voice will find the words  
And I will feel empowered from within.

I've got the power in me, you've got the power in you.  
I've got the power, p p power, got the power in me.  
Nobody's gonna hold me back, nobody's gonna silence my words,  
Nobody's gonna close my mind, I've got the power in me!

When my mind is closing down and I'm lacking inspiration,  
I know I can do something about it.  
No one can stop me learning, create my dreams and future  
And I will feel empowered from within.

I've got the power in me, you've got the power in you.  
I've got the power, p p power, got the power in me.  
Nobody's gonna hold me back, nobody's gonna silence my words,  
Nobody's gonna close my mind, I've got the power in me!

We got the power, you got the power,  
I got the power, the power in me!  
We got the power, you got the power,  
I got the power, the power in me!

## PART 1

Got the power! Got the power!  
I got the power in me!  
Got the power! Got the power!  
I got the power in me!

## PART 2

We got the power, you got the power,  
I got the power, the power in me!  
We got the power, you got the power,  
I got the power, the power in me!

## GUITAR SOLO

I've got the power in me! In me!

I've got the power in me; you've got the power in you.  
I've got the power, p p power, got the power in me.  
Nobody's gonna hold me back, nobody's gonna silence my words,  
Nobody's gonna close my mind, I've got the power in me!
