

About St Francis CofE Primary School and Nursery

*Believing that we are: 'His handiwork, created in Christ Jesus to do good works,'
we aspire to be our best,' Ephesians 2: 10*

We are a one form entry school catering for pupils from 3 – 11 years, organised in eight age-related class groups; a total of around 225 pupils. We are the founding member of The Fioretti Trust (established October 2016) and work very closely with the Diocese of Birmingham. We are very proud of our Christian ethos and core values; which we call our 'High Five', these are: love, happiness, honesty, forgiveness and friendship.

For us, the development of the whole child is paramount and, as well as academic achievement, we have a strong tradition of music and sport, with peripatetic staff ensuring quality provision. Every single pupil at St Francis Primary School and Nursery is incredibly important; our children are vibrant and polite and enjoy their learning.

Should you be successful in your interview and accept the position, we will be applying for an enhanced disclosure in line with our Safeguarding Policy. Please complete the application form and return with a letter of application (teachers only). The letter should include the skills and experience that you could bring to our school. If you have a question, please do not hesitate to contact the school office.

I look forward to meeting you.

Yours sincerely

Miss Jess Mattocks

About the Fioretti Trust

We are proud members of the Fioretti Trust. The Fioretti Trust is a multi-academy trust, founded on the Christian values of friendship, commitment and leadership strength.

As a Trust, we promote the individuality of our schools and provide them with the freedom to develop their own strengths, distinct character and to meet the needs of their communities, whilst at the same time seeking to maximise the benefits of being part of a larger network and organisation.

Being part of a Trust gives out staff access to exciting professional development opportunities, gives children the chance to interact with others from different schools and provides challenge and support to school leaders through effective governance.

Our core purpose is very straightforward; we are a vehicle for change that will improve life-chances of young people as they journey through their education. Our Christian trust values are up front and central; we focus on our PEACE Values: Purposeful, Empower, Aspire, Challenge and Excite within an educational framework.

Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you. Ephesians 4:32
